I, the purchaser named above, claim the right to make a non-taxable purchase for resale of computers and computer related accessories from Image Computer Corp dba RemoteIT.
These purchases will be resold, rented or leased by me within the geographical limits of the United States of America, its territories and possessions, or within the geographical limits of the United Mexican States, in their present form or attached to other taxable items to be sold.

I understand that if I make any use of these items being purchased other than retention, demonstration or display while holding them for sale, lease or rental, I must pay Sales Tax on the items purchased at the at the time of use based upon either the purchase price or the fair market rental value for the period of time used.

I understand that it is a criminal offense to give a Resale Certificate to the seller for taxable items that I know, at the time of purchase, are purchased for use rather than for the purpose of resale, lease, or rental and, depending on the amount of tax evaded, the offense may range from a Class C misdemeanor to a felony of the second degree.
